## Missionary Update:

**Missionaries** to a sensitive area of the world have returned home prematurely. Other missionaries have been permanently evicted from the country they were serving in over the last couple years, and they have been led to leave now, in hopes of being able to return to continue to serve in the future. They have returned to Wisconsin to regroup. Please pray for their situation, the pets they had to leave behind, and that some ongoing issues are able to be settled reasonably and quickly. Also pray for God's direction as to where he wants them next.
