Missionary Updates:

Brandon & Rachel Powell are praising God for an amazing opportunity to disciple boys from the youth prison each week. A dozen incarcerated boys have already come to Jesus through their weekly bible studies! They ask for prayer as they will be launching a new kid's club project this month to reach children of the redlight district. They also need prayer for wisdom and direction regarding legal documents for the internal church.

Gloria Biffert's students have worked so hard for the past three months taking their final classes and writing their final project and they are graduating on November 16th. Thank you for your prayers! Please continue to pray for them as they will return to their home countries and use what they have learned in their ministries and communities.

This weeks Nursery volunteers:
